

I Fought the La

Newsboys

Mama always said, keep it simple
A killer hook and you're ready to move
I still like a song with some lyrics to chew on
But there are days when they just fight the groove You can't stare down the inevitable
It's like the sun I fought the la and the la won La la la la la la, lala la la la la la
La la la la la la la la, la lala la la la
And the la won
La la la la la la, lala la la la la la
La la la la la la la la, la lala la la la You can freestyle on the verse awhile
The chorus comes and it's still gotta pay
You can free fall from any height at all
But the ground won't get out of your way We can't fight the inevitable
It's gonna come I fought the la and the la won La-ah-ah, la-ah-ah
La-ah-ah, la-ah-ah
La-ah-ah, la-ah-ah
La-ah-ah, la-ah-ah Sing it
