Barbed Wire Love

Stiff Little Fingers

Advisory - the following lyrics contain explicit language:

I met you in No Man's Land
Across the wire we were holding hands
Hearts a-bubble in the rubble
It was love at bomb siteAll you give me is barbed wire love
All caught up in barbed wire love
Tangled up in barbed wire love
Throw my leg over barbed wire love
Barbed wire love snags my jeans
Barbed wire loveWhen I fell it was awful nice
Caught when not suspecting vice
The night was rife with wasteland life
You set my arm alightAll you give me is barbed wire love
All caught up in barbed wire love
Tangled up in barbed wire love
Throw my leg over barbed wire love
Barbed wire love snags my jeans
Barbed wire loveBlasted by your booby traps
I felt the blow in both knee-caps
Your eyes did shine, your lips were fine
And the device in you pants was out of sightAll you give me is barbed wire love
All caught up in barbed wire love
Tangled up in barbed wire love
Throw my leg over barbed wire love
Barbed wire love snags my jeans
Barbed wire love
