At Your Best (starRo Version)

Frank Ocean

When I feel what I feel
Sometimes it's hard to tell you so
You may not be in the mood to learn
What you think you know
There are times when I find
You wanna keep yourself from me
When I don't have the strength
I'm just a mirror of what I seeBut at your best you are love
You're a positive motivating force within my life
If you ever feel the need to wonder why
Let me know, luhhWhen you feel what you feel
It's hard for me to understand
So many things have taken place before this love affair began
But if you feel more like I feel
Confusion can give way to doubt
For there are times when I fall short of what I say
What I say I'm all aboutBut at your best you are love
You're a positive motivating force within my life
Should you ever feel the need to wonder why
Let me know, luhhTell me what it is
What it is, no need to make believe
Look beyond your world
Try to find, find a place for me'Cause when you're at your best you are love
You're a positive motivating force within my life
Should you ever feel the need to wonder why
Let me knowStay at your best, baby (oh oh oh)
Let me know
