

# Victory (Demo)

## Fire Deuce

(?)voodoo child(?) is comin' strong  
To livin on while I steal your soul  
Keepin time on what you roll  
Livin on while your soul gets brokeTurn me loose  
F-f-f-fire deuce  
Yeah, I'm comin home  
I'm brokeI'm runnin' home  
The deed is done  
I'm feelin' young  
The sin is through  
I'm runnin' home  
The deed is done  
I'm feelin' young  
So turn this on  
Yeah, a life of shame  
Ill be your wayward son  
Yeah, I'll steal your name  
A wayward son  
But she now is mine  
I'm gonna take the Kingdom (?)  
Now this is mine  
Ain't no crime  
I'm tryin to cross the lineI'm runnin' home  
The deed is done  
I'm feelin' young  
The sin is through  
I'm runnin' home  
The deed is done  
Let me go  
I'm coming home  
So it's not my shit  
Run with meI'm runnin  
The deed is done  
I'm runnin' home  
I'm runnin' home  
I'm runnin' ohhh  
I'm runnin' home  
The deed is done!
