Savage Intolerance

Nails

Torment, indimidation
A nation in trepidation
Drones over homes
Watching the world explodeTerror; a violent extermination
Fear spreading hate
Deep roots in abuse
Savage intoleranceHuman persecution
Cold blood execution
Death toll's rising
Bodies are pilingTerror
Fear spreading hate
Civilization sent to its grave
Torment
Infidels
Slaughtering lives
Massacre of human kind
Bloodshed
Genocide
Innocent souls
Victims stole, raped and sold
Horror
