

I Need You (feat. Stephen Bishop, Andrew Gold)

America

We used to laugh, we used to cry
We used to bow our heads then, wonder why
And now you're gone, I guess I'll carry on
And make the best of what you've left to me
Left to me, left to me I need you like the flower needs the rain
You know I need you, guess I'll start it all again
You know I need you like the winter needs the spring
You know I need you, I need you And every day, I'd laugh the hours away
Just knowing you were thinking of me
And then it came that I was put to blame
For every story told about me
About me, about me I need you like the flower needs the rain
You know I need you, guess I'll start it all again
You know I need you, I need you
I need you like the winter needs the spring
You know I need you, guess I'll start it all again
You know I need you, I need you
