

Gentle Hour

Yo La Tengo

It's such a pleasure to touch your skin
To touch your skin

It's such a pleasure to touch your heart
To touch your heart

I can hardly wait I couldn't bare it, to live for fear
Of undressing you

You're in my world all the time

All the time I'll wait 'til you arrive

To make it to the grave

And I couldn't have done

Anything else A gentle love

A gentle heart

(2x) All things that cause you trouble cause pain It's such a pleasure to touch your skin
To touch your skin

It's such a pleasure to touch your heart

I can hardly wait And I'm waiting to hear you now

To make it to the grave

And I couldn't have done

Anything else

I couldn't have done

Anything else
