

Love Supreme

T Connection

Where am i? What is this place?
Perfect moon, hanging in space.
 Rose colored faces,
 Nothing but shining things.
Silver figures wrapped in golden wings.
 Trying so hard, to reach the throne.
 Seems like I have, yeah, feet of stone.
So many millions, standing in front of me.
 Singing a never-ending melody...
 Do you feel the love supreme,
 In your golden dreams,
 Meadows, everything,
 Real nice change of scene.
No more cloudy skies, and i wonder why.
 Time really flies, or so it seems.
 When you feel the love supreme.
 This must be, only make-believe.
 It all seems so unreal.
Wish they could see me, but they don't somehow.
 I must be fading, i can't wake up now.
 Trying so hard to catch their eyes.
 They don't seem, yeah, to hear my cries.
So many millions, standing in front of me.
 Singing a never-ending melody, yeah.
Feeling the love supreme, in my golden dreams.
 Meadows, everything.
 Real nice change of scene.
No more cloudy skies, and i wonder why.
 Time really flies, or so it seems.
 When you feel the love supreme.
 In your golden dreams.
 Meadows, everything.
 Real nice change of scene.
No more cloudy skies, and i wonder why.
 Time really flies, or so it seems.
 When ya feel the love supreme.
 Ooooh, feel the love supreme,
 In our golden dreams.
 Meadows, everything.

Real nice change of scene.
No more cloudy skies, and i wonder why.
Time really flies, or so it seems...
