Living End

Tarja

It's the song that's forever
There's no need to surrenderHere with you now
Light's in the air devoted
Now is the day
Dying to live this moment
Growing stronger
Taking overTruth in your eyes
See through my heart - it's open
Make me believe
Gives life to the path of chosen
Blind desire
Reaching higher
It's the song that's forever in the flame within
The living end
There's no need to surrender
I will sing with it
The living end
Sun is like colors
Raining down
Burning up the night
It's the song that's forever in the flame within
The living end
There's no need to surrender
I will sing with it
The living end
The living end
