

Commas (feat. Lil Wayne & Mase)

I need commas after my commas, commas after my commas
I need commas after my commas, commas after my commas
We ain't talking no bands nigga, we ain't talking no bands nigga
We ain't talking no bands nigga, we ain't talking no bands nigga
I got commas after my commas (money) commas after my commas (money)
I got commas after my commas (money) commas after my commas (money)
We ain't talking no bands nigga, we ain't talking no bands nigga
We ain't talking no bands nigga, we ain't talking no bands (money) I got Polo on my body, but I'm talking
Ferrari
White girl in the party, mary jane won't you meet molly
Couldn't feel no better, hunched thous on my sweater
Niggas say they cold, just a little bit under the weather
I mean, you done shits y'all leathers boy
get your shit together, I
gave you niggas some time, now I got a vendetta
Damn niggas is basic, with the champagne imported
Possoms get arranged and then they may get recorded
See them diamonds they dance nigga
fucking up your plans nigga
Feel like David Ruffin
'cause we ain't talking no bands nigga I need commas after my commas, commas after my commas
I need commas after my commas, commas after my commas
We ain't talking no bands nigga, we ain't talking no bands nigga
We ain't talking no bands nigga, we ain't talking no bands nigga
I got commas after my commas (money) commas after my commas (money)
I got commas after my commas (money) commas after my commas (money)
We ain't talking no bands nigga, we ain't talking no bands nigga
We ain't talking no bands nigga, we ain't talking no bands (money) Pussy nigga I hope you loosin' sleep
That old money still new to me, yeah
I take a shower with a sexy broad, yeah
I put a thousand on a debit card
Birdman, let me hold a million bucks
He gave it to me, didn't even asked for what
Yeah, that's how we do YMCMB, yeah
Checkin' niggas like an ID
Commas after my commas, try me nigga that's trauma
Find pussy hairs in my vomit
I'm the don not Imus
me and them broke niggas

We ain't got nothing in common
I promise I'll never go broke
and never break that promise I need commas after my commas, commas after my commas
I need commas after my commas, commas after my commas
We ain't talking no bands nigga, we ain't talking no bands nigga
We ain't talking no bands nigga, we ain't talking no bands nigga
I got commas after my commas (money) commas after my commas (money)
I got commas after my commas (money) commas after my commas (money)
We ain't talking no bands nigga, we ain't talking no bands nigga
We ain't talking no bands nigga, we ain't talking no bands (money) I'm in the hood on defense, my range rover
is a v10
Locked up in this county jail, can't post bail 'cause it's the weekend
Got a pretty lil' redbone, I can't wait to sink my teeth in
You got guns, we got guns, fuck it nigga, it's beef then
Yeah boy I got young Mula, keep a couple them young shooters
We the one we aiming them choppers at
My pockets fat like the young Luther
Can't afford this jewelry, put that chain towards gratuity
Yeah these bitches know I'm checkin' bags, like airport security
Yeah, I got commas after commas
all in that order
While you niggas chasing bands like concert promoters I need commas after my commas, commas after my
commas
I need commas after my commas, commas after my commas
We ain't talking no bands nigga, we ain't talking no bands nigga
We ain't talking no bands nigga, we ain't talking no bands nigga
I got commas after my commas (money) commas after my commas (money)
I got commas after my commas (money) commas after my commas (money)
We ain't talking no bands nigga, we ain't talking no bands nigga
We ain't talking no bands nigga, we ain't talking no bands (money)
