

Death Of Me

Royal Tailor

This is the death of me, oh
The death of me, oh
The death of me, oh
The death of me, ohLost, I was wandering around
Hoping I could find a place
I'd be more than just a face in the crowd
I heard one day You came
Turned the lost into the saved
Now You're showing me the way
All along I've been believing I was livingBut now that I'm free I finally see
Living's worth dying for
Buried with You
You're making me new
The old me's dead and gone
This is the death of me, oh
The death of me, oh
The death of me, oh
The death of me, ohYour words were just ink on a page
Always so hard to believe
Until You revealed to me that
Your love stepped into the world
Now my past has been erased
'Cause You saved me with Your grace, Your grace
All along I've been believing I was living
