## The Darjeeling Limited OST

The hours approaching, just give it your best  
And you've got to reach your prime  
That's when you need to put yourself to the test  
And show us a passage of timeWe're gonna need a montage  
(Montage)  
Ooh it takes a montage  
(Montage)Show a lot of things happing at once  
Remind everyone of what's going on  
(What's going on?)  
And with every shot you show a little improvement  
To show it all would take to longThat's called a montage  
(Montage)  
Oh we want montage  
(Montage)And anything that we want to go  
From just a beginner to a pro  
You need a montage  
(Montage)  
Even rocky had a montage  
(Montage)Montage  
MontageAnything that we want to go  
From just a beginner to a pro  
You need a montage  
(Montage)  
Ooh it takes a montage  
(Montage)Always fade out in a montage  
If you fade out, it seem like more time  
Has passed in a montage  
Montage
