Avalon

Shoshana Bean

I drove 500 miles to get away
Now that Iâ€™m here I wanna turn around so I can see your face
You choose silence as a weapon
The weapon that you use to punish me
And now Iâ€™m ashamed I let you
Let you get away with the way you speak to me

Oh Avalon, sweet Avalon
Plans we made but never acted on
Avalon, sweet Avalon
You canâ€™t save us weâ€™re too far gone

There ainâ€™t a distance too far
That can keep you from my heart
There ainâ€™t an ocean too wide
That wonâ€™t deliver your memory in with the tide
I use silence for protection
Protection as Iâ€™m trying to heal the break
And Iâ€™ll be damned if I will ever
If I will ever give you the pleasure of my pain

Oh Avalon, sweet Avalon
Plans we made but never acted on
Avalon, sweet Avalon
You canâ€™t save us weâ€™re too far gone

Iâ€™m choking on questions
But I donâ€™t want the answers
Understanding wonâ€™t change a thing
Words are a waste when you have no intention to stay

OH in Avalon, sweet Avalon
Plans we made but never acted on
Avalon, sweet Avalon
You canâ€™t save us weâ€™re too far gone

Can you help me move on
