Don't Try to Find Me

Jason Meadows

Girl I know I'm the farthest thing from your mind
So I'm headed down the line
I've lost my dignity, gotta have some sanity
So listen girl whatever you do, don't try to find meAt the Holiday Inn in Dallas
The one off L B J
You can see the sign from the freeway
Exit 19A
At the end of the hall on the top floor
Overlooking the pool 3 0 4
That's probably where I'm gonna be
So don't try to find meI won't be there long
I'll just pass through
I'll leave Dallas in a day or two
I'd catch a rodeo, look up a friend I know
After that I'm on the move
Don't try to find meAt my momma's house in Houston
Just off of Wayside Drive
At the high school hang a right
Last one on the left hand side
There's a fence with a rusty old gate
Broken mailbox one oh (?eight/A)
That's probably where I'm gonna be
So don't try to find meDon't try to find me
At the Holiday Inn in Dallas
The one off L B J
You can see the sign from the freeway
Exit 19A
At the end of the hall on the top floor
Overlooking the pool 3 0 4If I'm not there I'll probably be
At my momma's house in Houston
Just off of Wayside Drive
At the highschool hang a right
Last one on the left hand side
There's a fence with a rusty old gate
Broken mailbox one oh (?eight/A)
That's probably where I'm gonna be
So don't try to find me
