

# Ethereal (More Ethereal)

## Moderat

Fill me with your breath  
I won't make a sound  
As vile as I seem  
Me with a pin  
Bursting the bubbles  
Of your dreams Fill me with your breath  
I won't make a sound  
When there are falling stars [?]  
Selling the only sound  
Broken by mine  
Crying the arching [?]
