Six Feet Under The Stars

All Time Low

Time to lay claim to the evidence Fingerprints sell me out but our footprints' washed away From the docks downtown It's been getting late for days And I feel myself deserving of a little time off We can kick it, hang for hours And just mouth off about the world And how we know it's going straight to hell Pass me another bottle, honey The Jager's so sweet But if it keeps you around, then I'm down Meet me on Thames Street, I'll take you out Though I'm hardly worth your time In the cold you look so fierce But I'm warming up because the tension's like a fire We'll hit South Broadway in a matter of minutes And like a bad movie I'll drop a line Fall in the grave I've been digging myself But there's room for two, six feet under the stars I should have known better than to call you out (On a night like this, night like this) If not for you, I know I'd tear this place to the ground (But I'm alright like this, alright like this) I'm gonna roll the dice before you sober up and get gone I'm always in over my head Thames Street, I'll take you out Though I'm hardly worth your time In the cold you look so fierce But I'm warming up because the tension's like a fire We'll hit South Broadway in a matter of minutes And like a bad movie I'll drop a line Fall in the grave, I've been digging myself But there's room for two, six feet under the stars Time to lay claim to the evidence Fingerprints sell me out But our footprints' washed away I'm guilty but I'm safe for one more day Overdressed and underage Do you really need to see an ID?

This is embarrassing as hell
But I can cover for it so well
When we're six feet under the stars
Thames Street, I'll take you out
Though I'm hardly worth your time
In the cold you look so fierce
But I'm warming up because the tension's like a fire
We'll hit South Broadway in a matter of minutes
And like a bad movie I'll drop a line
Fall in the grave I've been digging myself
But there's room for two, six feet under the stars
Six feet under the stars
Six feet under the stars
