How Many Drinks?

Miguel

Frustration, watching you dance
Hesitation, to get in your pants
Come closer, baby
So I can touch
One question, am I moving too fast?
Cuz I ain't leavin alone
I feel like I can be honest babe
We both know that we're grown
That's why I wanna know
How many drinks will it take you to leave with me?
Yeah you look good and I got money
But I don't wanna waste my time
Back of my mind I'm hoping you say 2 or 3
You look good, we came to party
But I don't wanna waste my time
Temptation, is calling your name
Sweet persuasion, baby this is a game
Come closer, baby, if you like what you hear
Impression, is what I'm makin you feel
Cuz I ain't leavin alone
I feel like I can be honest babe
We both know that we're grown
That's why I wanna know
How many drinks will it take you to leave with me?
Yeah you look good and I got money
But I don't wanna waste my time
Back of my mind I'm hoping you say 2 or 3
You look good, we came to party
But I don't wanna waste my time
Waste my time
No, no, no
I ain't judgin'
If you do decide that you might be f***in' tonight, what?
More power to you if you do decide that you might be f***in' tonight

Le-le-let me dig that out like a fossil
Damn baby that ass is colossal
Pilates and milk did that body so good
You've gotten a pair I wish I could

How many drinks would it take you to leave with me?
You look good and we came to party
But I don't wanna waste my time.
Back of my mind I'm hopin you say 2 or 3
Agree? Indeed
You look good and we came to party
But don't wanna waste my time,
Or waste your time x2
Or waste our time
Baby it's alright, baby it's alright, baby it's alright
Oh it's alright now, alright, oh yeah
I don't wanna waste my time
I don't wanna waste no time
I don't wanna waste your time
I don't wanna waste our time,
Or my time
How many drinks would it take you to leave with me?
Yeah, you look good and I got money
But I don?t wanna waste my time
Back of my mind I?m hopin you say 2 or 3
You look good, we came to party
But I don?t wanna waste my time (waste my time)
No, no, no
I ain't judgin'
If you do decide that you might be f***in' tonight, what?
More power to you if you do decide that my might be f***in' tonight
I ain't judgin'
If you do decide that you might be f***in' tonight, what?
More power to you if you do decide that my might be f***in' tonight
Let's go, s**t
You only live once right?
I mean, where's the fun in forever anyway?
