Waiting (With Soundwell) (Feat. KORY)

Project 46

Time has a way of escaping.
Don't let it go and slip away tonight.
'Cause time has no patience for waiting.
All we have is right now.What are you waiting for?
What you waiting for?
What are you waiting for?
What you waiting for?
What are you waiting for?
What you waiting for?
What are you waiting...
What you waiting for?Live like today's your last moment.
So let it go, release yourself tonight.
'Cause life wasn't meant to be wasted.
Take every second and make it count.What are you waiting for?
What you waiting for?
What are you waiting for?
What you waiting for?
What are you waiting for?
What you waiting for?
What are you waiting for?
What you waiting... What you waiting for?
Wanting, waiting...
What you waiting for?
