

# Sentimental

Gareth Gates

Girl, I don't believe them when they tell me you don't love me  
Sometimes you seem to think so little of me  
Everybody tells me that they see what's going on  
So quick to criticise that what we have is wrong I see you with another, and I don't know what to do  
Cause the problem is that I love you I get sentimental  
Baby, please be gentle  
Baby, please put my mind at ease  
Cause I get sentimental You make me unstable, but I like it  
I never know where I stand, but I hide it  
The games that you're playing, the things that you're saying, I really need to know  
You've got me completely, I've fallen so deeply, so please don't let me go I see you with another, and I don't  
know what to do  
Cause the problem is that I love you, you know I love you I get sentimental  
Baby, please be gentle  
Baby, please put my mind at ease  
Cause I get sentimental The games that you're playing, the things that you're saying, I really need to know  
You've got me completely, I've fallen so deeply, so please don't let me go I get sentimental  
Baby, please be gentle  
Baby, please put my mind at ease  
Cause I get sentimental I get sentimental  
Baby, please be gentle  
Baby, please put my mind at ease  
Cause I get sentimental I get sentimental  
Baby, please be gentle  
Baby, please put my mind at ease  
Cause I get sentimental  
(Repeat to fade).
