

All of Me (feat. Mary J. Blige)

50 Cent

Now if I give ya all of me
What ya gon' give me back
Ya body is callin' me
Got me fellin' like a fein on crack
Gonna make me fall in love
Now why you wanna go and do that
Now if I give ya all of me tell me
What you gon' give me back Lets start with the moon and the stars
Whateva' you into
The money I inquire mama make it all simple
Flashback 03 paparazzi flashin' flicks
I moved away hustle hard now I got a sick stash
Tell me you miss me baby come here and kiss me (muah)
It just happened so quickly
Feels like I hopped off a bus and got in a Bentley
Its gangsta!
My music even though its so smooth shit
You can hate me 'cause I hurt you but I ain't mean to do it
He predicted it all I don't know how he knew it
He said runnin' from Hollywood and liar liar liars
He said them fuck em will get you heated the not like maria
Fast forward to 06 still on fire
The world is still turnin'
My records is still earnin'
Doe come quicker and quicker
Flow get sicker and sicker
Straight up and down baby im a special kind of nigga Now if I give ya all of me
What ya gon' give me back
Ya body is callin' me
Got me fellin' like a fein' on crack
Gonna make me fall in love
Now why you wanna go and do that
Now if I give ya all of me tell me
What you gon' give me back Oh give it (give it) baby (baby)
Give it (give it) oh baby
Give it (give it) baby (baby)
Give it give it baby (oh baby) Life is short baby you apart of my dreams
I ain't Ferrari horses my Lamborghini leans
So mean I have niggas waitin' on me

Got gave me a gift I'm supposed to be rich
I'm supposed to ride through the hood make me sick
And take when my homies put in work they supposed to get hit
When the pull the chain they think we gon' bomb some bricks
I ain't make that up
This is how its supposed to be kid
You should feel like a life when they give back that time
When I smile ya smile should be as big as mine
To know me is to love me I'm one of a kind
Even when you hate me ya love me forever your mine Now if I give ya all of me
What ya gon' give me back
Ya body is callin' me
Got me fellin' like a fein' on crack
Gonna make me fall in love
Now why you wanna go and do that
Now if I give ya all of me tell me
What you gon' give me back Oh give it (give it) baby (baby)
Give it (give it) oh baby
Give it (give it) baby (baby)
Baby baby (oh baby)
What ya gonna give me back your gonna make me fall in love oh
