

# Taste the Pain

## Red Hot Chili Peppers

Flat on my back In a lonely sprawl  
I stare at the ceiling Because I can not fall  
Asleep tonight  
No not at all  
Head lights flash Across my bedroom wall  
Crying eyes open Because I can not fall  
In love with you, I know not at all Walk away and taste the pain  
Come again some other day  
Aren't you glad you weren't afraid  
Funny how the price gets paid Walk away and taste the pain  
Come again some other day  
Aren't you glad you weren't afraid  
Funny how the price gets paid Busted in two Like a brittle stick  
I can not drink  
Because my throat constricts  
Lovesick from you  
That will never do  
Open my mouth I couldn't make a sound  
I could not scream and no I could not shout  
It out to you  
Nothing to do Walk away and taste the pain  
Come again some other day  
Aren't you glad you weren't afraid  
Funny how the price gets paid Walk away and taste the pain  
Come again some other day  
Aren't you glad you weren't afraid  
Funny how the price gets paid Yeah, yeah  
This may come as a shocking surprise  
I have to take a walk I have to kiss it goodbye  
Goodbye my love  
Goodbye my love  
I am not alive Walk away and taste the pain  
Come again some other day  
Aren't you glad you weren't afraid  
Funny how the price gets paid Walk away and taste the pain  
Come again some other day  
Aren't you glad you weren't afraid  
Funny how the price gets paid Oh oh how the price gets paid  
Well I got to pay, I got to pay the price

I think I'll walk away  
'Cause I couldn't survey, I couldn't pay  
I couldn't price
