Feel the Fire

Reactive Black

Once it came into my life
The sweetest thing I ever felt
And so I go on, walk my own way
The demon will ever guide

So I feel the fire
Feel the fire
Feel the fire, now

Here I stay and here I go
I'll never walk alone
Tell me who's this god
You always talk about
A god to bow my head?

I'll never bow my head to gods
I'll never bow myself
Better go out, out of my way

BETTER BOW YOURSELF IN FRONT OF ME!

So, bow yourself in front of me!
Bow down!

Feel the fire, feel the fire,
feel the fire - now!

Bow yourself in front of me!
Bow down!

Feel the fire, feel the fire,
feel the fire - NOW!

Bow down!
