

Body Marked Up

Willy Northpole

The subway the subway body marked up body body marked up like tha subway tha subway tha subway and whole body body marked up body body marked up like the subway the subway the subway and whole body body marked up body body marked up like the subway the subway the subway and whole body body marked up

body body marked up like the subway the subway the subway and whole

i'm so gangsta wit it

black rag gangsta fitted

tattooed from tha land where tha man say tha gangstas did it

they say me i kinda lie say i aint did it

cuz i'm a g and i go hard to tha paint wit it

i dont harlem shake no i dont snap fangaz no i spit club bangaz I clap ya gang bangaz I do it for the big boss as

Rick Ross as Young Jeezyz get it for you hard white or green peazys Im the weatherman snowchase to cheddaman that butta on that popcorn get you robbed and popped on pants sang black dickies gotta couple essays wit me New York ghetto pass all i gotta say is 50 im good on the West cuz Spida Loc my ryda folk outta

townaz come to Phoenix we show you ni**az how to smoke Body Tatted up the Thug way ni**a like the subway the subway the subway body marked up body body marked up like tha subway tha subway tha subway and whole body body marked up body body marked up like the subway the subway the subway and whole body body marked up body body marked up like the subway the subway the subway and whole body body marked up

body body marked up like the subway the subway the subway and whole

Ni**az wanna floss wit ya tick tocks get robbed get popped especially if my sh*t flop he flossin thats his fault thats tha reason he got his clothes pushed backwards like criss cross back say Broadway run up on you in Broad Day The Phoenix Boys will make your block smooth like shawday better sing along and bring along a couple of friends cuz when them no remorse boys hop out a couple of vans check it willy never back down betta check tha

background got lito in Sac-Town ni**az wanna chat now im in tha club wit them thanzg that pow pow Thug

turn around and keep dancin to Bow Wow you see them boys wit tattoos street homies inked up Willy

Northpole yes so criminal linked up I never been a joke Yeah I was in to dope Yeah Phoenix i been a pope Ya

boy been a Loc Body Tatted Up the Thug way ni**a like the subway the subway the subway Lets Go body marked up body body marked up like the subway the subway the subway and whole body body marked up body body marked up like the subway the subway the subway and whole body body marked up body body marked up like the subway the subway the subway and whole body body marked up

the subway the subway and whole

Wifebeater bullet wounds swoll ni**a in a vest body mark stab wounds belly button to his chest O.G. Rest In Peace name tatted on his neck BG's in the gang tatts of his little set tear drop bowfies mafia bowties for dem young dudes in the pen to dem old guys gang bangin arm wound light green spark fumes reggie tatts east coast west coast cartoons body marked up body body marked up like the subway the subway the subway and whole

body body marked up body body marked up like the subway the subway the subway and whole body body marked up body body marked up like the subway the subway the subway and whole body body marked up body body marked up like the subway the subway the subway and whole body body marked up body body marked up like the subway the subway the subway and whole body
