Like That

Kris Wu

[Pre-Chorus]
I'm about to throw away my money, on you
I'm about to throw it all
Tell me what you want and we goin, it's on you
Anything you want, it's ours[Chorus]
I ain't never seen a girl like that
Tell me if we take a chance like that
Got me spending all my cash like that
Keep on doing what I like like that
Girl like that
Tell me if we take a chance like that
Got me spending all my cash like that
Keep on doing what I like like that
[Verse 1]
She a 10 yeah she bad yeah all on my
Imma spend a lil bag just to keep you dippin
Anytime in the city you can be right with me
One talking I ain't feeling that's the way we livin
She ain't feeling me I can tell by the way she stands
I know what you thinking it don't really make no sense
Who can resist and I don't wanna miss one time
Just me and you
Oh, all the time (Oh, you on my mind)
Oh, yeah all the time
Yeah, yeah, yeah[Pre-Chorus]
I'm about to throw away my money, on you
I'm about to throw it all
Tell me what you want and we goin, it's on you
Anything you want, it's ours
[Chorus]
I ain't never seen a girl like that
Tell me if we take a chance like that
Got me spending all my cash like that
Keep on doing what I like like that
Girl like that
Tell me if we take a chance like that
Got me spending all my cash like that
Keep on doing what I like like that[Verse 2]
All night on the phone, aye

24/7 we go, aye
Come on baby give me some mo, aye
Put it on a show for a show, aye
Feel so good inside, I know just your style
Feel these thoughts arise, we can get it right though
I don't know if you ride the thought
I don't know if you're bout this life
I don't know if you're tryna play
Let me know if you're tryna play
We can go, we can take new heights like this
We can get it all in the nights like this
Turn me up like a fire
Heat me up burn me up like a liar[Pre-Chorus]
I'm about to throw away my money, on you
I'm about to throw it all
Tell me what you want and we goin, it's on you
Anything you want, it's ours[Chorus]
I ain't never seen a girl like that
Tell me if we take a chance like that
Got me spending all my cash like that
Keep on doing what I like like that
Girl like that
Tell me if we take a chance like that
Got me spending all my cash like that
Keep on doing what I like like that[Outro]
I don't know if you ride the thought
I don't know if you're bout this life
We can go, we can take new heights like this
We can get it all in the nights like this
Turn me up like a fire
Heat me up burn me up like a liar
