

Dumb!

Redrama

(Lyrics : L. Mellberg)

Intro

When the sky's wide open
I'd rather be heart-broken
I need that stupid kinda love right now

Verse 1

They said damn if you do,
I said damn if I don't
bringing it , singing like it's the last of my songs
Why you never took a chance before?
So let's get dumb get irrational
I stay passionate
what if we only got one life, one night
that's the last of it?
girl feel that spark
I been looking for my heart,
have you seen the other half of it?
Oh, there it is
your eyes, thighs, your hair, your lips
walking behind you up the stairs, I wish
it a never stop, cus the view got me hoping it's a pyramid
Seeing only you, only you inna crowd
so keep moving it, moving it round
it's what I do, every night I'm new in your town
just got stupider now

Chorus

When the sky's wide open
Then why we keep our feet on the ground
I rather be heart-broken
I need that stupid kinda love right now
That kinda love go

Post-Chorus

Duh, Duh, Duh, Duh Duh Duh Dumb!
Make the club go
Duh, Duh, Duh, Duh Duh Duh Dumb!
If you my girl go

Duh, Duh, Duh, Duh Duh Duh Dumb!

Let's make the world go

Duh, Duh, Duh, Duh Duh Duh Dumb!

Stupid kind of love right now

Verse2

So you used your heart when you really should have used your brain

they think you dumb

And that goes for the rooftop-V.I.P and it goes for

the burbs and the slum

Love's universal, and it feels good and it hurts too

at the same damned time

but can't be worrying, about every little thing

that could go wrong, make you mine

So let go

through the calm and the storm, and whatever the odds

said Imma bet though

Don't don't a damn, no spend my last

money on your smile girl

they say the world gone end but I feel it spin

we alive girl

Chorus

When the sky's wide open

Then why we keep our feet on the ground

I'd rather be heart-broken

I need that stupid kinda love right now

That kinda love go!

Post-Chorus

Duh, Duh, Duh, Duh Duh Duh Dumb!

Make the club go

Duh, Duh, Duh, Duh Duh Duh Dumb!

I you my girl go

Duh, Duh, Duh, Duh Duh Duh Dumb!

Let's make the world go

Duh, Duh, Duh, Duh Duh Duh Dumb!

Bridge

You know that we're going all out tonight

it can't be wrong cus it feels so right

Ain't no telling what's going down tonight

D to the U, M, B who me?

Ain't no telling where we end up tonight

End up married, end up in a fight

No telling what's going down tonight

D to the U, M, B, who me?
Ain't no tellingâ€¦!

Chorus

When the sky's wide open
Then why we keep our feet on the ground
I'd rather be heart-broken
I need that stupid kinda love right now
That kinda love goâ€¦!

Post-Chorus

Duh, Duh, Duh, Duh Duh Duh Dumb!
Make the club go
Duh, Duh, Duh, Duh Duh Duh Dumb!
If you my girl go
Duh, Duh, Duh, Duh Duh Duh Dumb!
Let's make the world go
Duh, Duh, Duh, Duh Duh Duh Dumb!
Stupid kinda love right now
