

# High Blood Pressure (with Keb Mo)

[Jerry Douglas](#)

I get a-high (oh yes) blood pressure (oh yes)  
When you call my name (oh yes)  
Uh-uh-huh (oh yes)  
I get a high (oh yes) blood pressure (oh yes)  
When you call my name  
(Oh, yes, oh yes)  
I get a high blood pressure  
Well, baby when you're by my side  
Yes (yes) I get a-high (oh yes)  
Blood pressure (oh yes) when you're by side (oh yes)  
Uh-huh-huh (oh yes) I get a-high (oh yes) blood pressure  
When you speak to me (oh yes)  
Uh-huh-huh (oh yes)  
I get a-high blood pressure I can hardly see (oh yes)  
Oh-oo (oh yes)  
I get a high blood pressure  
Yes, baby when you get in my arms  
Yes, get a high (oh yes) blood pressure  
When you're in my arms (oh yes)  
Uh-huh-huh (oh yes) My eyes get to jumpin'  
Up and down in a ring  
My heart gets to jumpin'  
Up and down as a spring  
Chills run up and down my spine, it's true  
My face startin' to sweatin, an it's  
(All because a-you)  
I get-a high (oh yes) blood pressure (oh yes)  
'Cause my eyes go mad (oh yes) for you (oh yes) My eyes start to jumpin'  
It's a terrible strain  
My heart gets to thumpin'  
Up and down in pain  
Chills run up and down my spine, it's true  
My face startin' to sweatin' an it's  
(All because a-you)
