Fire Island

Tav Falco

Fire isla-and (fire, fire island) - it's a funky weekend (funky) a funky funky weeke-end
Fire isla-and (fire, fire island) - it's a funky weekend (funky) a funky funky weeke-end
It's the place where you'll find me, the sun and sea, the place where love is free, yeah
Fire isla-and (fire, fire island) - it's a funky weekend (funky) a funky funky weeke-end
Fire isla-and (fire, fire island) - it's a funky weekend (funky) a funky funky weeke-end
You never know just who you meet, maybe someone out of your wildest fantasies, yeah
Fire isla-and (fire, fire island) - it's a funky weekend (funky) a funky funky weeke-end
Don't go in the bushes, don't go in the bushes
Don't go in the bushes, someone might grab ya, someone might grab ya
Don't go in the bushes, don't go, don't go in the bushes
Don't go in the bushes, someone might stab ya, someone might stab ya, yeah
Don't go in the bushes, no, someone might grab ya, someone might grab ya
Don't go in the bushes, someone might stab ya, someone might stab ya
Fire isla-and (fire, fire island) - it's a funky weekend (funky) a funky funky weeke-end
Fire isla-and (fire, fire island) - it's a funky weekend (funky) a funky funky weeke-end
Sea, plane or train will take you there-ere, it's a paradi-ise, there's also bus or cab, yeah
Fire isla-and (fire, fire island) - it's a funky weekend (funky) a funky funky weeke-end
Fire isla-and (fire, fire island) - it's a funky weekend (funky) a funky funky weeke-end

We can scream, but let's sing, we can do each other's thi-ing, yeah
Fire isla-and (fire, fire island) - it's a funky weekend (funky) a funky funky weeke-end
Don't go in the bushes, don't go in the bushes, no
Don't go in the bushes, someone might grab ya, someone might grab ya
Don't go in the bushes, don't go - in the bushes
Don't go in the bushes, someone might stab ya, yeah-eah
Groove at the Ice Palace (get on down at the Monster)
Been there, been there (been there at the Blue Whale)
Peckin', I'm peckin (peckin' at the Sandpiper)
Pumpin, I'm pumpin (pumpin' at the hotel)
(Fire island, fire island) I'll take your hand (fire island) you take mine
We'll hit the groove (fire island) and really shake the times
There's a house (fire island) on your back
Boogie on down (fire island) follow me back
(Fire island, fire island) I'll take your hand (fire island) you take mine
We'll hit the groove (fire island) and really shake the times
There's a house (fire island) on your back
Boogie on down (fire island) follow me back
