Be Still

StorySide:B

I remember all the times
The good times and the bad
I'm still holding on to YouSome days I wanna run
Sometimes I come undone
But I still belong to YouAnd thats how I know thatWhen I feel like caving in
My heart, my soul is wearing thin
I just wanna give up
And nothing seems at all to add upCan You hear me, Lord?
My face is down upon the floor
Its then You whisper in my ear
Be still and know I'm hereI see a side of You, my friend
Same struggles that I have
And my heart goes out to YouI know its hard to feel alone
And this world's so unforgiving
I've been feeling that way tooBut I can tell YouWhen I feel like caving in
My heart, my soul is wearing thin
I just wanna give up
And nothing seems at all to add upCan You hear me, Lord?
My face is down upon the floor
Its then You whisper in my ear
Be still and know I'm hereIs that You?
Is this me?
It's sometimes hard to believe that
I am not aloneIts not just You
And not just me
We all need to believe that
We are not aloneWhen I feel like caving in
My heart, my soul are wearing thin
I just want to give up
And nothing seems at all to add upI know You hear me, Lord?
When my face is down upon the floor
Its then You whisper in my ear
Be still and know I'm here
(We are not alone)Be still and know I'm here
(We are not alone)
Be still and know I'm here
(We are not alone)Be still and know I'm here
(We are not alone)
Be still and know I'm here

(We are not alone)Be still and know I'm here
(We are not alone)
Be still and know I'm here
(We are not alone)
