## Johannes Ockeghem

The wind blows hard against this mountain side  
    Across the sea into my soul  
    It reaches into where I cannot hide  
Setting my feet upon the roadMy heart is old it holds my memories  
    My body burns a gem like flame  
    Somewhere between the soul and soft machine  
    Is where I find myself againKyrie Eleison  
        Down the road that I must travel  
        Kyrie Eleison  
    Through the darkness of the night  
        Kyrie Eleison  
    Where I'm going will you follow  
        Kyrie Eleison

On a highway in the lightWhen I was young I dreamed of growing old  
    Of what my life would mean to me  
    Would I have traveled down my chosen road  
Or only wished that I could beYeahKyrie Eleison  
        Down the road that I must travel  
        Kyrie Eleison  
    Through the darkness of the night  
        Kyrie Eleison  
    Where I'm going will you follow  
        Kyrie Eleison

On a highway in the lightoh..oh..oh..  
    oh..oh..oh..  
    oh..oh..oh..  
    oh..oh..oh..Kyrie Eleison

Down the road that I must travel  
    Kyrie Eleison  
    Through the darkness of the night  
        Kyrie Eleison  
    Where I'm going will you follow  
        Kyrie Eleison

On a highway in the lightOh down the road that I must travel  
    Oh the darkness of the night  
    Oh I'm going will you follow  
        On a highway in the light
