

Idiot

Wavves

laugh, i bet you laugh
i bet you laugh right behind my back
i won't ever die
i'll go surfing in my mind i'm not supposed to be a kid
but i'm an idiot
i'd say i'm sorry
but it wouldn't mean shit (x4) has my skull just cracked?
i didn't bother listening to the rest (ref?)
i won't ever die
i'm a hero in my mind i'm not supposed to be a kid
but i'm an idiot
i'd say i'm sorry
but it wouldn't mean shit but it wouldn't mean shit
