# **The Race**

## **Yello**

Shout

(Shout)Count on me I'm gonna win the race Count on me I'm gonna win the race Room-dah-bee-boom the whippering dong

Room-dah-bee-boom the whippering dongNow shut the door keep down to south

Shut the door keep down to south

Shut the door keep down to southNot any track is turning but the race is in my head I'm attacking the illusion but the stopping drives me madTime is running out and the illusion fades away Time is running out another day is on it's wayAnother sun was shining and he knew he wasn't great He didn't ever talk about he knew he couldn't waitAre you ever gonna push me let me run and let me do?

I need it and I'm ready and I haven't got a clueNot any track is turning but the race is in my head

I'm attacking the illusion but the stopping drives me madFire away

This is the raceWhy?
