

# More Than Friends (That's Right)

3LW

That's right  
That's right[Chorus]  
Sometimes i wish we were more than just friends  
I know that i'm dreamin'  
'Cause you're crazy 'bout her  
Sometimes i wish all the time  
That you spend with her was with me instead  
I wish we could be more than friends It's time to let you know just how i feel  
About you lately (that's right)  
You drive me crazy (that's right)  
If she ever lets you go  
Then you know the deal  
Boy you will be mine  
'til the end of time(I sit and dream)  
Over and over  
I can see us walkin'  
And holdin' hands  
(you and me)  
Closer and closer  
If everything was different  
You'd be my man[Chorus]Wakin' up to the morning each day  
I think of you  
And how i wish i were that special girl  
In her place (that's right)  
Everytime you see me with a smile on my face  
I just can't help but wish  
For the day, hey(I sit and dream)  
Over and over  
I can see us walkin'  
And holdin' hands  
(You and me)  
Closer and closer  
If everything was different  
You'd be my man[Chorus]More than friends (more than friends)  
More than friends (more than friends)  
More than friends That's right  
That's right[Chorus until fade]
