

# Grow Old With Me

## Youngstown

Grow old along with me  
The best is yet to be  
When our time has come  
We will be as one God bless our love  
God bless our love Grow old along with me  
Two branches of one tree  
Face the setting sun  
When the day is done God bless our love  
God bless our love Spending our lives together  
Man and wife together  
World without end  
World without end It's alright, it's alright alright I said grow old along with me  
Whatever fate it could be  
We will see it through  
For our love is true God bless our love  
God bless our love God bless our love  
God bless our love God bless our love
