

Don't (The Voice Performance)

Chris Jamison

I met this girl late last year
She said don't you worry if I disappear
I told her I'm not really looking for another mistake
I called an old friend
Thinking that the trouble would wait I went away for months until our paths crossed again
She told me I was never lookin' for a friend
Maybe you can swing round my room about 10
Baby bring the lemon and a bottle of gin
We'll be in between the sheets till the late AM
Baby if you wanted me you should have just said She's singing Don't with my love
That heart is so cold
All over my home
I don't wanna know that babe
Don't with my love
I told her she knows
Take aim and re load
I don't wanna know that babe On my hotel door I don't even know if she knows what for
She was crying on my shoulder I already told ya
Trust and respect is what we do this for
I never intended to be next
But you didn't need to take him to bed that's all
And I wasn't looking for a promise to commitment
But it was never just fun and I thought you were different
This is not the way you realise what you wanted
It's a bit too much too late if I'm honest
And all this time god knows I'm singin' Don't with my love
That heart is so cold
All over my home
I don't wanna know that babe
Don't with my love
I told her she knows
Take aim and re load
I don't wanna know that babe Don't with my love
That heart is so cold
All over my home
I don't wanna know that babe Don't with my love
I told her she knows
Take aim and re load

I don't wanna know that babe
