

493-1023

Aslyn

What a stirring invitation
Free to move from all that you belong
Why'd they have to change the station
In the middle of my favorite song
One blink, love kill
Something beneath the rainbow fell, it's falling
Daddy never did nothing wrong
He's just so innocent
Why can't we just all get along
This salt is burning it
Daddy never did nothing wrong
He's just so, what happened to 493-1023?
Conversation's awful dirty
A bar of soap for all that hurting's lost
If hate could stop the world from turning
I just wanna turn this whole thing off
You set your stake so weak
Hard to believe a word you say
Daddy never did nothing wrong
He's just so innocent
Why can't we just all get along
Tired of faking it
Daddy never did nothing wrong
He's just so, what happened to 493-1023?
What happened to 493-1023?
Opinionate but keep it under your breath
And out of my way
493-1023, 493-1023, 493-1023
What happened to 493-1023?
Daddy never did nothing wrong
He's just so innocent
Why can't we just all get along
Tired of faking it
Daddy never did nothing wrong
He's just so
What happened to 493-1023?
What happened to 493-1023?
What happened to 493-1023?
What happened to 493-1023?
