Wontcha Come Out Tonight

Beach Boys

Why dontcha come out tonight?
(Come, come-a, come-a, come out tonight)
Why dontcha come out tonight?
(Come, come-a, come-a, come out tonight)
Little girl, wontcha come out tonight?
They're playin' our song
Little girl, wontcha come out tonight?
Please don't keep me long
I've been anticipatin'
Seeing you all day long
And all the while I'm waitin'
I find myself a-singing this little song
Little girl, wontcha come out tonight?
They're playin' our song
Little girl, wontcha come out tonight?
Please don't keep me long
Soon as the music start playin'
I start to thinkin' of you
That's when you'll hear me sayin'
Pretty please, baby, here's what I ask of you
Little girl, wontcha come out tonight?
They're playin' our song
Little girl, wontcha come out tonight?
Please don't keep me long
Late at night when I'm sleepin'
I get to dreamin' of you
That's when I find myself schemin'
Of ways that I can spend all my nights with you
Come out tonight?
(Come, come-a, come-a, come out tonight)
Why dontcha come out tonight?
(Come, come-a, come-a, come out tonight)
Why dontcha come out tonight?
(Come, come-a, come-a, come out tonight)
Why dontcha come out tonight?
(Come, come-a, come-a, come out tonight)
Why dontcha come out tonight?
(Come, come-a, come-a, come out tonight)
Why dontcha come out tonight?

(Come, come-a, come-a, come out tonight)
Why dontcha come out tonight?
(Come, come-a, come-a, come out tonight)
Why dontcha come out tonight?
(Come, come-a, come-a, come out tonight)
Why dontcha come out tonight?
(Come, come-a, come-a, come out tonight)
Why dontcha come out tonight?
(Come, come-a, come-a, come out tonight)
