It's Amazing

Sophistic

Do it now, you know who you are
You feel it in your heart
And you're burning and wishing
At first, wait, won't get it on a plate
You?re gonna have to work for it
Harder and harder
And I know ?cause I've been there before
Knocking on the doors with rejection
And you'll see ?cause if it's meant to be
Nothing can compare to deserving your dream
It's amazing, it's amazing
All that you can do
It's amazing, makes my heart sing
Now it's up to you
Patience, now frustrations in the air
And people who don't care
Well, it's gonna get you down
And you'll fall, yes you will hit a wall
But get back on your feet
And you'll be stronger and smarter
And I know ?cause I?ve been there before
Knocking down the doors, won't take no for an answer
And you'll see ?cause if it's meant to be
Nothing can compare to deserving your dream
It's amazing, it's amazing
All that you can do
It's amazing, makes my heart sing
Now it's up to you
Don't be embarrassed, don't be afraid
Don?t let your dreams slip away
Determination using your gift
Everybody has a gift
Never give up, never let it die
Trust your instincts and most importantly
You've got nothing to lose
So just go for it
It's amazing, it's amazing
All that you can do
It's amazing, makes my heart sing

Now it's up to you
It's amazing, it's amazing
All that you can do
It's amazing, makes my heart sing
Now it's up to you
