In The Deep

Bird York

Thought you had
all the answers
to rest your heart upon.
But something happens,
don't see it coming, now
you can't stop yourself.
Now you're out there swimming...
In the deep.
In the deep.Life keeps tumbling your heart in circles
till you... Let go.
Till you shed your pride, and you climb to heaven,
and you throw yourself off.
Now you're out there spinning...
In the deep.
In the deep.
In the deep.
In the deep.And now you're out there spinning...
And now you're out there spinning...
In the deep.
In the deep.
In the deep.And the silence,
all your secrets will
raise their weary heads.
Well, you can pin yourself back together,
well, who here thought you would?
Now you're out there livin'...
In the deep.
In the deep.
In the deep.In the deep...Now you're out there spinning...
Now you're out there swimming...
Now you're out there spinning...
In the deep.
In the deep.
In the deep.
In the deep...
