Smooth Operator

Big Daddy Kane

Advisory - the following lyrics contain explicit language:

Well excuse me, take a few minutes, to mellow out
Big Daddy Kane is on the mic and I'ma tell about
A minimum length, of rhymes of strength
And power, so listen to the man of the hourFlow and go to a slow tempo and you know
Sing hoe, swing low, then yo the show
Will go on, as I perform
Transformin' on stage like a DecepticonBut I'm not animated like a cartoon
I'm for real, shootin' lyrics like a harpoon
Across the crowd, the listeners, the spectators
So let's groove with the smooth operator'Cause, I'm so smooth
'Cause, I'm so smoothThe B I G, D A double D Y K A N E
I'm good and plenty, servin' many and any
Competition, wishin' for an expedition
I'm straight up dissin' and dismissin', listen
Rappers act so wild, and love to profileFrontin' hard but ain't got no style
I give nightmares to those who compete
Freddy Kreuger, walkin' on Kane Street
Confuse and lose abuse and bruise the crewsWho choose to use my name wrong, they pay dues
Destruction from the exterminator
But in a calm manner, 'cause I'm a smooth operator'Cause, I'm so smooth
'Cause, I'm so smoothNow girls step up to this
One simple kiss, and it's over Miss
Sold to nice dreamers, high as the price seem
Girlfriend, you been scooped like ice creamSo just swing or fling a gathering try to cling
'Cause It's a Big Daddy Thing
And I'm lovin' 'em right word is bond
So just play Marvin Gaye and let's get it onI make it real good like Dr. Feelgood
To make sure that my point is understood
That when it comes to this there's none greater
Sincerely yours, the smooth operator'Cause, I'm so smooth
'Cause, I'm so smoothNow ain't that the pot callin' the kettle black
Sayin', I'm a new jack, you need to be smacked

The smooth way I say 'em and the way I display 'em
To make them sound different in a way that's giftedAnd hey, I'm, makin' sure every lyric is done fine
And I make one line, bright as the sunshine
Attack you like Robatussin' on a cough
If you know like I know, step off
Competition, I'ma get rid ofYou can't get a bit of, so just consider
A break or rest vacation hibernation
And make way for my smooth operation
I'm a smooth operator'Cause, I'm so smooth
'Cause, I'm so smoothAh, yeah, and you don't stop
Genuine for eighty-nine
And I still ain't half steppin', peace
