I've Lost My Way

Lost My Way
Written and Copyright by Bob Thomas

Iâ€™m sitting out back
In a thunder storm
Itâ€™s raining hard
But the weatherâ€™s warm

Lightening flashed
Across a darken sky
Iâ€™m sitting here
wondering why

When I was young
I knew how it would be
I would grow up
And Iâ€™d be me

But the winds of life
Blow us who knows where
I want to go here
But I end up there

Lightening flashed
Across a darken sky
Iâ€™m sitting here
wondering why

Life goes on
Day to day
And I keep going
Though Iâ€™ve lost my way

Lightening flashed
Across a darken sky
Iâ€™m sitting here
wondering why

Iâ€™ve lost my way

Iâ€™ve lost my way
