

# Back from the Dead (Live At the S.E.C.C.)

## Babyshambles

I heard it said  
You had come back from the dead  
And you were playing so fine  
Scooping up the soul of the wine  
Courage, my boy  
The way you looked them in the eye  
Try not to look too scummy  
If you want some money  
And you need some money now  
Oh, this ain't no happy place to be  
There's nothin' nice around me  
Nothin' nice about me almost everyone agrees  
There's another big year for you  
I knew my friend of promises, promises  
I know you've heard them all before  
Love is, love is, love is, love is  
Love is, oh well it's just another call  
I heard it said  
You had come back from the dead  
Playing so fine, even if you ensure comes on my couch  
My boy, oh yeah, looked them in the eye  
Like they tried to be funny if there is someone you know  
Oh oh  
Oh oh  
...
