

Keeping Secrets

Still Remains

Hush now baby I don't want nobody to know
I'm in love with your soul but you're hot from your head to your toe
Make you feel so right when you know it's wrong
With your hair tied back and my t-shirt on
Hush now baby I don't want nobody to know

We're keeping secrets
You're keeping secrets
I'm keeping secrets
And I love that you love that we love it yeah

I never knew you like this but I can't get you out my mind
Won't you come closer baby let me pull you in and make you mine
It's getting too hard cause we tryin' to pretend
Playing undercover we're supposed to be friends
But I love, love you baby and I can't get you out my mind

We're keeping secrets
You're keeping secrets
I'm keeping secrets
And I love that you love that we love it yeah

Won't you meet, meet, me outside
In the middle of the night
Tell your friends that you're busy tonight
Cause I love you, I love you, I love you, I love you baby
