Careless

Micky & The Motorcars

Written by: Joseph DeebI dont blame you for walking awayYoull be better, better off somedayIf I had, girl, something good to sayDont you think, by now, I would have found a way?Chorus:Baby, I wont forget youBaby, I never think I couldI was reckless leading you to believeYou were careless when you fell for meI count shadows here in the darkWhen these clouds just dont want to partIf the Lord would show me some lightThen I just might get out of here aliveBaby, I wont forget youBaby, I never think I couldI was reckless leading you to believeYou were careless when you fell for meBridge:Minds may speak what hearts may never hearSome hands need you wipe away the tearsBaby, I wont forget youBaby, I kinda wish I couldI was reckless leading you to believeYou were careless when you fell for meYeah, you were careless when you fell for me
