

# Call Off the Search (Live in Stuttgart)

[Katie Melua](#)

I won't spend my life, waiting for an angel to descend,  
Searching for a rainbow with an end,  
Now that I've found you  
I'll call off the search. And I won't spend my life, gazing at the stars up in the sky  
Wondering if love will pass me by  
Now that I've found you  
I'll call off the search. Out on my own I would never have known  
This world that I see today  
And I've got a feeling  
It won't fade away. And I won't end my days, wishing that love would come along,  
'Cause you are in my life where you belong  
Now that I've found you  
I'll call off the search
