Tonight

Staind

Just try to understand, this isn't what I planned
This ride's out of my hands
So now I'm forced to be something I cannot be
If only I could make you seeTonight I'm alive
I've watched you all grow up and so have I
Inside this isn't really what I had in mindI no longer relate to this world of hate
That's forced upon my plate
I tend to disagree, I hope it's not just me alone
If only I could make you seeTonight I'm alive
I've watched you all grow up and so have I
Inside this isn't really what I had in mind
I had in mind, I had in mindTonight I'm alive
I've watched you all grow up and so have I
Inside this isn't really what I had in mindThis time
I've watched you all grow up and so have I
Inside this isn't really what I had in mind
I had in mind
