Crazy Love

Aaron Neville

I can hear her heartbeat from a thousand miles
And the heavens open up every time she smiles
And when I come to her that is where I belong
And I'm running through her like a rivers songShe gives me love, love, love, love, crazy love
She gives me love, love, love, love, crazy loveShe's got a fine sense of humor when I'm feeling low down
And I'm coming to her when the sun goes down
Take away my troubles, take away my grief
Take away my heartaches in the night like a thiefShe gives me love, love, love, love, crazy love
She gives me love, love, love, love, crazy loveAnd I need her in the daytime (I need her)
And I need her in the night (I need her)
And I want to throw my arms around her
Kiss and hug her, kiss and hug her tightWhen I'm returning from so far away
Gives me some sweet loving, brightens up my day
And it makes me righteous and it makes me whole
And it makes me mellow right down to my soulShe gives me love, love, love, love, crazy love
She gives me love, love, love, love, crazy love
