

# Crazy Love

[Aaron Neville](#)

I can hear her heartbeat from a thousand miles  
And the heavens open up every time she smiles  
And when I come to her that is where I belong  
And I'm running through her like a rivers song She gives me love, love, love, love, crazy love  
She gives me love, love, love, love, crazy love She's got a fine sense of humor when I'm feeling low down  
And I'm coming to her when the sun goes down  
Take away my troubles, take away my grief  
Take away my heartaches in the night like a thief She gives me love, love, love, love, crazy love  
She gives me love, love, love, love, crazy love And I need her in the daytime ( I need her)  
And I need her in the night ( I need her)  
And I want to throw my arms around her  
Kiss and hug her, kiss and hug her tight When I'm returning from so far away  
Gives me some sweet loving, brightens up my day  
And it makes me righteous and it makes me whole  
And it makes me mellow right down to my soul She gives me love, love, love, love, crazy love  
She gives me love, love, love, love, crazy love
