

Change

Incognito

What we got here is not a fool's dream
Really feel the need
We've come to ground like prisoners on the run
Just minutes away from freedom Ain't no use in fooling ourselves
We really feel the need
Whatever it takes, nothing will be too much
We both long for better days Baby we're different as the seasons
Never ever giving reasons
Left with the tears and the paralyzing fear
That brings us to our knees Change, bring on the changes
Change, bring on the changes It's no pretending, no denying
When you really feel the need
Got to hang on and be strong
Turn the tables, make the change The two of us, it's different as the seasons
Never ever giving reasons
Left with the tears and the paralyzing fear
That brings us to our knees Change, bring on the changes
Change, bring on the changes
Change, bring on the changes
Change, bring on the changes There's gotta be some give and take
If we ever gonna make a change Change, bring on the changes
Change, bring on the changes
Change, bring on the changes
Change, bring on the changes Bring on the changes
