Loveboat

Timid Tiger

Come join the Loveboat
We're anchored offshore
Martinis and bikinis
Oh, l'amourLoved up in Lame
Quest ce qu'on va faire
Live your love like heaven
Sur la merWe'll just float 'cause the beach is boring
Our Loveboat is more alluring
We'll sail on with savior faire
Sur la merHave an Havana
Pass me a peach
Rub on some lotion
The places I can't reachCool down with cocktails
Lose all your cares
Double O 7 heaven
Sur la merWe'll just float 'cause the beach is boring
Our Loveboat is more alluring
We'll sail on with savior faire
Sur la merWe're in a place where heaven breathes
Making some love and shooting the breeze
Living out the memories we'll share
Sur la merWhat's in the wake of the shore
I will be there
Marine sunset dream, I'm your cure
I will be thereWe'll just float 'cause the beach is boring
Our Loveboat is more alluring
We'll sail on with savior faire
Sur la merWe're in a place where heaven breathes
Making some love and shooting the breeze
Living out the memories we'll share
Sur la mer, sur la mer, sur la merCome and join us in the Loveboat, baby
Come and join us in the Loveboat
(Sur la mer)
Come and join us in the Loveboat, baby
Come and join us in the LoveboatCome and join us in the Loveboat, baby
Come and join us in the Loveboat
Come and join us in the Loveboat, baby
Come and join us in the LoveboatCome and join us in the Loveboat, baby
Come and join us in the Loveboat

(Sur la mer)
Come and join us in the Loveboat, baby
Come and join us in the Loveboat
