

I Can't Take It

Tegan and Sara

So move, yeah move
So move, yeah move
I've got nowhere to go
I've got nowhere to go So move, don't move so slow
Don't move so slow
Don't move so slow
Don't move so slow So move, yeah move
I've got nowhere to go
I've got nowhere to go So move, don't move so slow
Don't move so slow
Don't move so slow
Don't move so slow I can't take it, I can't take it
I can't take it, I can't take it
I can, I can I can't take it, I can't take it
I can't take it, I can't take it
I can, I can, I can, I can
